SUMMARY

Undergraduate Computer Science and Statistics student at the University of Illinois Chicago with experience in Python, SQL, PowerShell, and Java. Seeking a software engineering or data science internship to enhance my abilities in software development and contribute to innovative projects.

EDUCATION

University of Illinois at Chicago

Bachelor of Science, Computer Science and Statistics

Chicago, IL

Expected May 2028

3.8 GPA

SKILLS

Programming & Tools: Python, C/C++, JavaScript, SQL, R Code, Java, Microsoft Azure, PowerShell, React

Other Skills: Customer Service, Mentorship, Multimedia Editing

Languages: Spanish (Conversational)

Certifications: [Microsoft 365 Fundamentals](#)

COURSEWORK

Machine Organization, Software Design, Program Design, Languages and Automata, Applied Statistical Methods, Data Structures, Programming Practicum, Mathematical Foundations of Computing

WORK EXPERIENCE

University of Illinois at Chicago -- Endpoint Management

September 2025 – PRESENT

Computer Specialist I

- Provide second-tier technical support for campus-wide systems
- Develop and deploy Powershell automation scripts in Microsoft Azure virtual environments
- Reimage and configure enterprise PCs using OSDCloud and Hiren tool

PROJECTS

[SparkHacks 2026: LitQuest](#)

February 2026

- Built a full-stack web application and app prototype in 24 hours that transforms classic literature into interactive visual novels using React and Figma
- Designed and integrated a MongoDB database to render dialogue and narrative progression

SIR Epidemic Simulator

Fall 2024

- Developed an interactive Python simulation modeling infection, recovery, and mortality rates to visualize pandemic trajectories
- Implemented data visualization with Matplotlib to analyze and display pandemic progression trends

[Music Recommendation App](#)

Spring 2024

- Designed a JavaScript-based song recommendation program utilizing for-loops, lists, and dataset filtering
- Built and structured a custom music dataset to support the recommendation program.
